

MONEY & HASSLE

////// History

The Akron Area Auto Dealers Association was established in 1927 for the purpose of advancing and protecting the interests of automobile dealers, the buying public and the automotive trade in the greater Akron-Canton area.

In 2009, the organization's name was changed to the Northeast Ohio Automobile Dealers Association (NEOADA). This change was made to reflect the association's members who are located outside the Akron area and to expand the NEOADA's reach to dealerships across Ohio.
